Agency: 468 - Environmental Hearings Office

Statewide Result: Improve the quality of Washington's natural resources

Environmental Adjudication

The Environmental Hearings Office is composed of five independent adjudicative boards -- the Pollution Control Hearings Board, the Forest Practices Appeals Board, the Shorelines Hearings Board, the Hydraulic Appeals Board, and the Environmental and Land Use Hearings Board -- that hear appeals of certain local, regional, and state agency environmental decisions. The Boards were created to provide independent review of these agency decisions in an expedited and cost-effective manner.
